Course Location: Gunnersbury Drive, off Popes Lane, Ealing W5 4LL
Tel: 07999 929 834

We are running an extensive cricket programme during the school holidays in addition to our training sessions. Our Level 2 coaches lead fun and innovative sessions designed to get the best out of each individual. Boys and girls between 8 and 14 years old are all very welcome. Please bring along any cricket equipment that you have. A small amount of club equipment will be available for use and we will be guided by our COVID plan on hygiene and sharing of equipment. If your child would like to play hardball cricket they MUST wear full protective equipment including a HELMET and BOX. Please ensure your child brings a packed lunch, water, suntan lotion and a cap and on days when the weather is doubtful suitable clothing.

The coaches have not only played cricket at a high level but also have considerable coaching experience; our courses have a considerable amount of repeat business and recommendations from previous participants so we advise that you book early to avoid disappointment
